

# Suicide Prevention Training for Veterinary Professionals

## LMS Instructions

### Step 1: Search for course

Under courses, search for [Suicide Prevention Training for Veterinary Professionals](#)

The screenshot shows the 'Courses' page in an LMS. At the top, there are navigation links for 'Home' and 'Courses'. Below the navigation is a search bar containing the text 'veterinary'. To the right of the search bar is a 'Sort by' dropdown menu set to 'Live event date: sooner-later' and an 'Apply' button. Below the search bar is a table with the following columns: 'Title', 'Category', 'Credits', and 'Event date'. The table contains one entry: 'Suicide Prevention Training for Veterinary Professionals' under the 'Suicide Prevention' category. A red arrow points to the title of this entry. Below the table, there is a description of the course: 'This three-part course explores suicide prevention strategies to support veterinary medicine professionals. This course will take approximately three hours to complete and meets state licensure requirements for veterinary professionals in Washington.'

### Step 2: Register

Click [Register/Take course](#).

The screenshot shows the course detail page for 'Suicide Prevention Training for Veterinary Professionals'. At the top left is a logo consisting of three interlocking squares. To the right of the logo is the course title 'Suicide Prevention Training for Veterinary Professionals'. Below the title is a navigation bar with links for 'Overview', 'Faculty', 'Accreditation', and 'Register/Take course'. A red arrow points to the 'Register/Take course' button. Below the navigation bar is a yellow banner with an information icon and the text: 'Please [login](#) or [register](#) to take this course.'
